

**DEPARTMENT OF BIOTECHNOLOGY**  
Ministry of Science & Technology

## **INDO-U.S. GENOME ENGINEERING/EDITING TECHNOLOGY INITIATIVE (*GETin*) PROGRAM**

### **Overseas Student Internship Guidelines**

#### **PROGRAM:**

Acknowledging importance of strategies & techniques in genome modification, as modern day essential tools for research & development, the Department of Biotechnology (DBT), Govt. of India along with the Indo-U.S. Science & Technology Forum (IUSSTF) announces fellowship program between Indian institutes and premier U.S. Universities, in significant areas of Genome Engineering/Editing Technology (*GETin*).

**The program is open to individuals whose research work has an interface with Genome Engineering/Editing Technology studies**

#### **PROGRAM OBJECTIVE:**

1. Provide opportunity to best and brightest Indian students and scientists to gain exposure and access to world class research facilities in leading US institutions.
2. Promote research and capacity building in the frontline area of Genome Engineering/Editing Technology.
3. Encourage and motivate outstanding students to take up research as a career path.
4. Pave way for the next generation scientists and technologists from India to interact with American peers, thus helping to build long-term R&D linkages and collaborations.

#### **MODULE:**

- A. Genome Engineering/Editing Technology (*Getin*) Overseas Student Internship

#### **WHO IS ELIGIBLE TO APPLY:**

1. Indian citizens currently pursuing Ph.D. on a full- time basis in various forefront disciplines of biotechnology (agriculture, health sciences, bio-engineering, energy, environment, biomedical,

fundamental biology or related allied areas) at a public- funded R&D lab/ S&T Institute /recognized academic institute / University / College in India.

2. It is mandatory that the theme of the applicant's research work should have an interface with Genome Engineering/Editing Technology.
3. Age: Upto 32 years as on 31<sup>st</sup> December 2017.

**DURATION AND NUMBER OF INERNSHIP:**

1. The duration of the internship will be for a period of upto 6 months.
2. Upto 5 internships will be awarded every year.

**NATURE OF SUPPORT:**

- (i) Monthly stipend of \$2,500 per month
- (ii) Return Air Fare
- (iii) Health Insurance of upto \$500
- (iv) Contingency of upto Rs. 50,000/-

**WHERE WILL AWARDEES WORK:**

1. The candidate should himself/herself correspond with their proposed host institute in the U.S. for placement/visit.
2. Candidate is required to produce evidence, in the form of a letter of acceptance/ Certificate on the letterhead of the U.S. host institute, duly signed/stamped by the host.
3. The letter should also include the merits/uniqueness of that host institute in the proposed area of research.
4. There should be willingness on the part of the American Institute to accept and extend necessary support to the candidate for the work proposed.

**HOW TO APPLY:**

Applications should be submitted using our Online Application Portal by **31<sup>th</sup> August 2017** along with the following documents:

- Acceptance letter/ Certificate from host institute in the United States.
- Two recommendation letters from Referees.
- No-Objection Certificate as per the format indicated

(Hard copies and electronic copies of the application forms will not be accepted)
